

2008-2009 Statistical Summary

The Statistical Summary of Missouri Higher Education was first published by the MDHE in the mid-1980s and, after going through several iterations, has remained relatively unchanged since the early-1990s. The summary contains numerous tables with aggregate data for each Missouri public and independent institution, as well as one table containing enrollment and completion data for specialized and theological institutions.

For further information or data, please contact Jeffrey Smith at 573.522.1309 or email jeffrey.smith@dhe.mo.gov.

The tables are provided in Microsoft Excel (xlsx), or Adobe Acrobat (pdf). If you want to print tables, we recommend using the PDF version as that will ensure proper page and document formatting. The following links provide access to free software you can use to view these tables, if you do not have the complete software program installed on your computer.
